

Teaching Poster 2 Word Changes

a **bad** **bat** **ban** **bag** **back**

e **bed** **bet** **ben** **beg** **beck**

i **bid** **bit** **bin** **big** **bick**

o **bod** **bot** **bon** **bog** **bock**

u **bud** **but** **bun** **bug** **buck**

As the **READER** reads across, words change as the final consonant changes.

As the **READER** reads down, words change as the vowel changes.

This is important for the **READER** to see and understand, and will be explained throughout the program by Zooberts. Each vowel is represented by its favourite colour.

Continue to refer back to this poster as each vowel family becomes familiar to the **READER**.
